Stallion: _____TONJES 459 = Friesian Stallion at Minker Friesians LLC Farm

Mare: _____

Breeding Fee: \$1,250.00

Deposit: Non-refundable at time of Booking: \$...500.00

Collection & Shipping Fees: \$...250.00

Balance due: _____(date)_____on Purchase of Stallion Service

Initials_____

FROZEN SEMEN:

Specialized containers are used to insure vitality of frozen semen during shipping.

Purchaser agrees to return to Minker Friesian Farm within 1 week of delivery. Cost of container is \$300.00. Purchases have no charge for this container if returned.

FRESH CHILLED SEMEN:

Will be sent in disposable container supplied by North Carolina University. No return or charge for container

MARE

A current Veterinarian certificate indicating the mare is in good breeding condition with no infection.

A licensed Veterinarian must administer the semen in order for live foal guarantee.

If a mare fails to produce "Live Foal" the Farm needs to be contacted immediately and a certificate from Veterinarian that includes:

- 1) Identification of Mare.
- 2) Verification of death of Foal.
- 3) Confirmation of performance of an autopsy by Veterinarian.
- 4) Explanation of death.
